February 17, 2010

Essex Realty Management has been contracted to manage the Worldport Business Center in San Pedro, CA.

The 149,111-square-foot office and industrial park is located at 1851-1941 N Gaffey St., close to the ports of Los Angeles and the World Cruise Center. Developed and owned by Robertson Properties Group, the Worldport Business Center has more than 100 office and industrial spaces available for small and mid-size companies.

Jennifer Tien of Essex Realty has been assigned as the main property manager at the business campus.
